

To parents/guardians of Willington's Little League softball and baseball players:

The Willington Little League Board of Directors is now calling for volunteers for our upcoming year.

As a parent or guardian of a Willington Little League baseball or softball player, you know that ours is an active, year-round program. With the close of the 2009 Fall Ball season, we must begin now to plan for 2010, which starts with the Spring Clinic in March and continues through the regular spring season, the all-star program, and Fall Ball. It is a small corps of volunteers that has been running this large program, and we need your help.

Some examples of where and how volunteers can contribute:

- 1 Do you have suggestions for improving the Opening Day events? Let us know, and help us plan the spring season's kickoff.
- 2 Send out or receive/organize completed registration forms.
- 3 Fundraising
 - o plan/help with the spaghetti supper; or
 - o plan or implement other fundraising ideas
- 4 Help prepare the fields (one Saturday spring morning) by raking, leaf-blowing, and/or hanging banners. Help organize the field preparation.
- 5 Concession stand: coordinate supplies and volunteers to staff the concession stand.
- 6 Coaches, assistant coaches, scorekeepers, team parents.

No experience is necessary – all that is necessary is a desire to operate a fine baseball/softball program for our kids.

Please join us at our next board meeting on Wednesday, January 13, 2010 at 6:30 PM at the Willington Public Library.

Let's all look ahead, together. Thank you!
