

## Are you ready to put the “Willing” in Willington?

The Town of Willington has a number of opportunities for citizens looking to volunteer for our community. Do you have a special interest, skill or knowledge you are willing to share? We have opportunities on many of our Boards and Commissions, as well as at our non-profit organizations. Read on to see if something interests you:

- Our newly formed **Emergency Services Efficiency Committee** is looking for members to analyze the town’s emergency services expenses and make recommendations to the Board of Selectmen and the Board of Finance prior to the next budget season.
- Do you enjoy going to the Transfer Station and/or have ideas for improvement? We are looking to re-energize our **Solid Waste Advisory Committee** and need several members. In addition, we are looking for an **"Inventory Manager"** for the Swap Shop - this would be someone who would be willing to spruce up and organize the Swap Shop on a regular basis.
- Do you have an interest in Green Energy? Would you like to help the Town of Willington reduce our energy costs? Consider joining the **Energy Advisory Committee**.
- Our local businesses are important to the future of Willington. If you agree, perhaps you would be willing to serve on the **Willington Economic Development Committee** and help retain the businesses we have while attracting new ones.
- Do you have an interest in open space or land use? Our **Conservation Commission**, and **Zoning Board of Appeals** are still looking for alternate members. Serving as an alternate member is a great way to learn the ropes on these boards!
- We have a **Safety & Facilities Committee** that is looking for new members. Anyone with a background in safety and/or building would be a welcome addition to this committee.
- Do you have an interest in Willington history or historical buildings? We are looking for a **Municipal Historian** and **Assistant Municipal Historian**. In addition, The **Willington Historical Society** has open spots and the **Historic District Commission** is looking for someone to serve as an alternate member.
- The newly formed **Welcome Sign Committee** is in place to help secure locations, raise funds and oversee the installation of “Welcome to Willington” signs. We need a few dedicated and organized people to help make Willington more welcoming!

Please contact First Selectman Christina Beebe Mailhos at 487-3100 for more information about any of the above positions.

Not interested in formally serving on a Board? There are plenty of other volunteer opportunities with the **Willington Public Library**, **Willington Senior Center**, **Willington Youth & Family Services**, **Willington Recreation Commission**, the **V.F.W.**, both of our **Fire Departments** as well as other organizations in Town. Call 487-3100 to find out more about volunteer opportunities and to see if you have an interest or skill that matches up to a need in Town.

**Thank you for putting the "Willing" in Willington!**
