COVID-19 Changes:

As a result of the COVID-19 pandemic, we have had to make several changes to our program to ensure proper and complete compliance with new regulations set forth by the State of CT Office of Early Childhood. These changes are to ensure the safety of all campers and staff at all times throughout the season, and will include new/or updated policies and procedures on masks, social distancing, health assessments, curbside drop-off/pick-up, cohorts, and more. Detailed policies and procedures will also be included in this year's Parent Handbook, which will be sent to all registered families later this Spring.

Policies and procedures remain subject to change as we continue to monitor the current state of the pandemic throughout the Spring/Summer, and allow for updated State of CT requirements.
